February is Black History Month, a time for Canadians to honour and celebrate the diversity, history, and culture of Black people in Canada and acknowledge the many everyday contributions of Black Communities across the country. PPHS is committed to recognizing the rich contributions of people of African Descent throughout the school year. We must continue to use education as a tool.

Ms. Franklin will address the school throughout the month, you will hear informative announcements, assemblies, guest speakers, and activities, and be able to participate in lunchtime learning opportunities.
