

PORT PERRY HIGH SCHOOL ANNOUNCEMENTS

Tuesday, December 2, 2025

Helpers In the House!! Paige, our Housing Support Worker will be in the Community Partners Hub from 11:30 to 2 today.

Honouring Identities

- Yesterday marked the first day of **Advent**, a period observed in many Christian traditions as a time of reflection, hope, and preparation leading up to Christmas. During Advent, individuals and families may light candles, engage in acts of kindness, or participate in community gatherings that focus on peace and anticipation. If Advent is part of your family's traditions, we wish you a peaceful and thoughtful season.
- And today, December 2, is the **International Day for the Abolition of Slavery**, a day that raises awareness about modern forms of exploitation, including human trafficking, forced labour, and child labour. While historical slavery has been legally abolished, millions of people around the world continue to be affected by these injustices today. We reflect and reaffirm our commitment to human dignity, safety, and the rights of all people today – and as an important note, if any of us have concerns about someone's safety or wellbeing – your own or someone else's – please reach out to any of the many caring and trusted adults in our school or the Port Perry community.

The White Ribbon Campaign

- In Canada and around the world, women, girls and 2SLGBTQI+ individuals face unacceptable violence and discrimination. Gender-based violence in Canada has been magnified and amplified by the COVID-19 pandemic. There have been reports from police services, shelters, and local organizations of an increase in calls related to gender-based violence across Canada during the pandemic.
- The National Day of Remembrance and Action on Violence Against Women is about remembering those who have experienced gender-based violence and those we have lost to it. It is also a time to take action. Achieving a Canada free from gender-based violence requires everyone living in this country to educate themselves and their families and communities on gender-based violence, centre the voices of survivors in our actions and speak up against harmful behaviours.
- Please visit the White Ribbon Campaign table today at lunch outside of the cafeteria to pick up your white ribbon.
