Library

- Attention readers! The White Pine reading program is going strong at your library. It's easy to get involved – just sign out a White Pine novel and start reading! For every White Pine novel you read, you can fill out a ballot to win a \$50 gift card for Chapters. In addition, there is a competition for the teachers who are trying to get you to read their novel. The teacher competition is heating up! It appears that Ms. Bengel's promise of chocolate has worked. She has the most points for students reading her fantasy novel, *Where The Dark Stands Still*. In second place is Ms. Wilson and her selection, *The Space Between Here and Now*. Tied for third is Ms. Franklin with her D&D novel, *Who We Are in Real Life* and Mr. Smith's thriller, *Lockjaw*. In last place is Mr. Yaneff, who has only convinced one person to read the *Zombie Apocalypse Running Club*. The White Pine reading club runs until May so you still have plenty of time to read – sign out a book today and start reading!
