

PORT PERRY HIGH SCHOOL ANNOUNCEMENTS

Friday, February 6, 2026

DDSB News

- Today is the last day to vote for your next student trustee. Support strong student leadership by voting for Kate McGrath. Voting links are in your grade's google classrooms along with the code you need to vote. Your vote matters – make it count!

Clubs

- Tangent meets today after school.
- Did you know that many famous actors and athletes have ADHD? Olympic gymnast Simone Biles, singer Justin Timberlake and actor Will Smith. ADHD is often described as a superpower that aids their creativity and hyperfocus. Join Outside the Box Club at lunch in room 202. We celebrate neurodiversity. All are welcome.

School Events

- Wondering what other students are reading? Our current White Pine novels are a great place to start. Ms. Demmer's graphic novel selection, *The History of Everything*, follow two best friends, Agnes and Daisy, who learn that they will be separated at the end of the summer as Agnes will have to move away when her mom changes jobs. Ms. Baxter's choice was the fantasy novel *For She is Wrath*, in which we meet Dania who has spent 364 days in prison because she was framed for a crime she didn't commit. Do these tantalizing tidbits make you want to learn more? Come to the library to sign out your White Pine novels. If you read at least 5 of the 10 books, you can vote in this year's competition.
- Attention les élèves français! Next Tuesday, February 10th, the French department is hosting LeFloFranco, a Haitian, Black and French rapper and reggae performer. His French music is known worldwide. Students who are not enrolled in an afternoon French course and/or any students who identify as Black or members of BIPOC can attend by speaking with any French teacher and adding their name to the list. The concert will take place on Tuesday, February 10th from 12 pm-1pm. Students will be signed out from 11:45 am-1:15 pm and will report to Gym A.
- The Waterloo Math Contest for grades 9, 10, and 11 will be happening on Wednesday, February 25 in period 1. If you are interested, please reach out to your math teacher.

Sports

- Badminton team tryouts will begin next week. Permission forms can be found outside the Phys. Ed office. Please see Mr. Shelswell or Mrs. Hoard for more details.
