PPHS Honouring Identities

- In today's "Honouring Identities" announcement, we recognize that today is **Purim**, a Jewish holiday that celebrates courage, resilience, and the power of community. Purim commemorates the story of Queen Esther, whose bravery helped protect the Jewish people in a time of great danger. Purim is often marked by joy and celebration, including storytelling, costumes, sharing food, and acts of generosity. At its heart, Purim reminds us of the importance of standing up for one another, using our voices wisely, and finding light even in challenging circumstances. We wish a meaningful and joyful Purim to all members of our school community who are celebrating.

Clubs

- Concert band has rehearsal today after school.

Guidance

- A representative from Alberta's **Olds College of Agriculture and Technology** will be visiting to speak with students who are interested in exploring future pathways at their school. This is a great opportunity to learn about their programs, campus life, and the many career options connected to agriculture and technology. **Date** – Monday, March 9 at lunch in the library seminar room. If you're curious about what Olds College has to offer, come join the session and ask your questions. Everyone is welcome!
