Halloween Food Drive

- Monday, October 17th we will be starting our Halloween food drive. Please bring non-perishable foods.
- Classes that contribute the most will win a prize. Each donation milestone reached; teachers will show their support by performing a variety of activities.

Skilled Trades

- During the COVID shutdown the vast majority of our province's Skilled Trade workforce remained working, earning, amazing money and kept our society running. Skilled trade jobs offer excellent wages, job security, no student debt or tuition and are satisfying and enjoyable careers. Are you interested in the Apprenticeship Pathway but want to know more. Please sign-up in Guidance for "The Nuts-and-Bolts Apprenticeship": a one-hour presentation that takes place on Wednesday, October 26th.
